

### Resources on the Role of Students in School Safety Efforts

#### Engaging Students in Prevention, Protection, Mitigation, Response, and Recovery Efforts

[K–12 Students as Partners in School Emergency Management Fact Sheet](#) (REMS TA Center). Read this fact sheet to learn about engaging students in emergency management planning efforts while safeguarding their well-being.

[Integrating K–12 Students with Disabilities into School Emergency Management Planning Fact Sheet](#) (REMS TA Center). Review this fact sheet for information and strategies for including students with disabilities in preparedness activities and emergency response training.

[Building Youth Preparedness and School Safety Capacity by Integrating Educational Initiatives Fact Sheet](#) (REMS TA Center). Learn how to improve youth preparedness through educational activities, programs, and curricula.

[Community Emergency Response Team Web Page](#) (REMS TA Center). Review this web page to learn about the Teen Community Emergency Response Team (Teen CERT) program and how it can equip students with skills to support emergency preparedness and response efforts. Access additional resources for implementing Teen CERT.

[Ready Kids Web Page](#) (U.S. Department of Homeland Security [DHS], Federal Emergency Management Agency [FEMA]). Support youth in developing preparedness skills and understanding actions to take before, during, and after an emergency.

#### Emergency Operations Plan Development

[Guide for Developing High-Quality School Emergency Operations Plans](#) (U.S. Department of Education [ED], U.S. Department of Health and Human Services [HHS], DHS, U.S. Department of Justice [DOJ], Federal Bureau of Investigation, FEMA). Read about the six-step planning process for schools to develop, revise, or review a school emergency operations plan (EOP).

[The Role of Districts in Developing High-Quality School Emergency Operations Plans](#) (ED, DOJ, HHS, DHS). Read about the specific roles and responsibilities for district-level administrators and staff in school EOP development and the six-step planning process.

[Building Blocks to School Safety: A Toolkit for K–12 Schools and School Districts for Developing High-Quality School Emergency Operations Plans](#) (REMS TA Center). Access a compendium of

# Readiness and Emergency Management for Schools (REMS) Technical Assistance (TA) Center

## STUDENTS

resources and information to understand EOP development as well as checklists for school and school district planning and response teams.

[REMS Publications Web Page](#) (REMS TA Center). Use this Web section to search for specific publications and guidance documents related to topics within emergency management, school safety, and preparedness. This page links to fact sheets, sample annexes, tabletop exercises, resource lists, technical assistance snapshots, and more.

[Topic-Specific Resources to Support Your Emergency Management Planning](#) (REMS TA Center). Review this Web section to obtain resources on strengthening collaboration with key community partners; on planning for emergency management functions, hazards, and threats; and on other EOP basics and principles.

[REMS Archived Webinars Web Page](#) (REMS TA Center). Find audio- and video-enabled presentations from experts in the field of school and higher education preparedness featured on this Web section. Webinar participants can download a copy of the presentation, supplemental resource lists
